Titus 2 has changed its mission in the past year from a “Women’s Ministry” to a “Community Ministry”, bringing **H.O.P.E.** to the community by restoring **Health**, mentally and spiritually; Helping individuals **Overcome** life’s situations; Guiding them to restoration of **Purpose** and **Passion** for the future; while being **Encouraged, Empowered** and **Equipped** for the future.

To accomplish this mission, the assets of Titus 2 have been divided into several areas of focus.

The commercial use of the farm home as a venue for retreats, religious gatherings and overnight accommodations as available. This 5-bedroom farmhouse, nestled in the peaceful countryside, includes everything that could be needed for a group retreat, family reunion, or friends’ weekend to name a few. The kitchen and dining are also available for half day or full day use.

All funds contributed along with grants and volunteer hours will allow Titus 2 Ministries to expand through retreats, classes and outreaches.

The Pathway will give young and old an opportunity to explore faith through a variety of experiences and hands-on activities which include Noah’s Ark, Daniel and the lion’s den, Jonah and the whale, the Woman at the well and many more.

The support given to both the Retreat Center and Titus 2 Ministry has been tremendous as our community looks to grow in its faith. Titus 2 will continue to grow and fulfill its mission to bring H.O.P.E. to our community.
